HIGH SCHOOL STUDENTS: Remember we are remote this week. Please check your emails for zoom or any other class information from your teachers. You should be able to submit your attendance the same on your off/remote days. - **YO ITS PENNY WARS TIME!!!!** Each teacher will have a jar to raise money for their class. If you don't have a third hour, you may join any third hour class, however once you've selected a class to compete with, you may not change classrooms. Check in with either Ms. Teem or Ms. Johnson to tell them which class you're competing with. This year, we are raising money to donate Thanksgiving/Christmas meals to the Monte Vista Food Bank, and need funds and supplies to Conour Animal Shelter. **WINNING CLASS WILL GET A PIE PARTY!!!!**
- Starting November 12th and continuing through December 17th, if you need help with Financial Aid questions, you can connect with Lesa Briggs at 5:30 PM.
- Attention Senior Parents and/or Guardians: Now is the time to tell your graduate how proud you are of their achievement with a senior tribute. Senior tributes usually contain short messages of congratulations, best wishes, or continued success. You have the opportunity to purchase the timeless keepsake of a senior tribute to be included in this year's yearbook. Please contact Brettli Teem (yearbook advisor) at brettli@monte.co.us for further information. Submissions are due by Thursday, November 19th.
- We invite you and your high school students and their families, especially seniors, to our online Discover Day sessions on November 4, 5 and 7. Although we are having to change it up this year, we are excited to hold

this event online to provide helpful information for students and families considering college. Register for any or all sessions at adams.edu/visit. In addition to interactive Q&A events with our faculty, staff and current students, we are offering prizes and scholarships. adams.edu/visit
